

Terms of Use

Last updated: December 2024

Welcome to Powerful Reports! These Terms of Use govern your access to and use of the Powerful Reports mobile application ("the App"). By downloading, accessing, or using the App, you agree to these Terms of Use.

1. Purpose of the App

Powerful Reports is designed to analyse and present trends and themes from Ofsted reports for early years providers.

2. Subscription Terms

- The App operates on a subscription model.
- Subscriptions are billed periodically (e.g., monthly or annually), depending on the plan you select at the time of purchase.
- All subscription payments are non-refundable once a billing cycle has started.
- You may cancel your subscription at any time via your account settings; however, cancellation will apply to the next billing cycle.

3. Limitations of Analysis

- Trends and themes presented within the App are gathered using a thematic analysis method. While care is taken to ensure accuracy, the analysis may not be 100% accurate due to the subjective nature of interpreting qualitative data.
- Users should use the insights provided as general guidance and not as definitive statements or guarantees. You will be able to access the full report at anytime.

4. Scope of Reports Included

- The App includes only Ofsted reports published within the last year (this is a rolling year).
- If an early years provider has received more than one report within the last year, only the most recent report will be included in the analysis.

5. User Responsibilities

- Users must ensure the information provided during subscription or account setup is accurate and up to date.
- You may not share, reproduce, or distribute content from the App without prior written permission.

6. Intellectual Property

All content, data, and analysis generated by the App remain the intellectual property of Powerful Reports and Power Practitioners. You are granted a limited, non-exclusive, and non-transferable license to use the App.

7. Data Privacy

Your data is handled in accordance with our Privacy Policy, which can be accessed within the App or on our website.
